March 14, 2018

Construction Leadership Success

8:00 AM – Noon

Mark Breslin

Mark is noted as the number one speaker in the nation on construction leadership, strategy and labor management relations.

As a strategist, speaker and author he has addressed more than 150,000 business, labor, and construction-owner leaders. He also speaks to tens of thousands of field workers

Attendees will leave with real skills and tips to improve their work and career trajectory

across the U.S. and Canada annually.

Mark is passionate, energetic, and motivational. He will provide a template for individuals to succeed in the construction industry. Attendees will leave with real skills and tips to improve their work and career trajectory.

Although Mark's training will be focused on construction company employees, anyone who attends will enjoy and benefit from Mark's training.

Please join us for what could be one of the most important and relevant training opportunities in your career or the careers of your employees.
